ACROSS RECORD

A message telling of progress and an attempt to make up a portion of the time spent in the completion of repairs has winged its way 1871 miles from the radio plant on board the Oceanic liner Ventura, and was, ret ceived today at the agency of C. Brew-

Captain J. P. Tibbetts, who until the death of Captain J. L. Cowell was chief officer in the steamer, stated in his message that he expected to bring the Ventura at quarantine about 4:3), o'clock next Saturday afternoon.

In order to discharge a considerable patched for San Francisco until Sun-

for three days.

With a view of fulfilling the provisions of the mail contract to the best advantage, the Ventura may be expected to make some fast time in prong from Honolulu to San Fran-

Two score of passengers have been poked for the mainland.
